With the surge in popularity of hacienda restoration throughout Mexico, the time is ripe for the release of The New Hacienda in paperback. Travel behind the scenes with authors Karen Witynski and Joe P. Carr as they open the doors to Mexico's remote country estates and reveal innovative interiors, artifacts, and antiques that echo the hacienda's original architectural splendor. The New Hacienda looks at the ways in which designers and architects have integrated the visual culture of the hacienda and blended Mexican elements in new homes on both sides of the border. From ancient stone walls and arcaded portals to cobbled courtyards and grand salons, hacienda style comes alive with a spirited mix of once-forgotten objects and contemporary furniture.
