Adamari Lopez

Viviendo (Spanish Edition) Adamari Lopez

"Antes de recibir mi diagnóstico, andaba por la vida sin propósito, sin una razón de ser. Lo que me ha tocado vivir me hacía falta, necesitaba vivirlo. Tenía que pasar por esas experiencias dolorosas para poder ser la mujer que soy hoy día, una versión mejorada de mí misma."

Adamari López, la actriz reconocida internacionalmente, lo tenía todo —una familia querida, un novio perfecto y un papel protagónico en una telenovela exitosa en México— cuando dos palabras le alteraron la vida para siempre: tienes cáncer. De pronto, en solo unos pocos meses, el mundo tal cual lo conocía se le derrumbó y toda su vida dio un vuelco súbito.

En *Viviendo*, la normalmente privada López revela los triunfos y tormentos de su vida, compartiendo anécdotas de su niñez y su familia, mientras describe su camino por el cáncer de seno; la repentina enfermedad de su madre; su casamiento, uno de los días más felices de su vida; y luego lo que ella considera ser el golpe más duro de todos: el final de su matrimonio. Sin embargo, a través de todo, su fortaleza y su fe no se apagaron, y su espíritu amoroso y positivo, junto con su eterna sonrisa, la ayudaron a descubrir un nuevo y gratificante comienzo en el amor y en su vida.
