## Why I Became A Catholic Sir Joseph Pope

Originally written as a personal testimony to his own children on why he became a Catholic, this is a thoughtful and timeless conversion story of Sir Joseph Pope written during the early part of the 20th century. Born in 1854 to a family renowned for distinguished service to the Canadian government, Joseph carried on the family tradition as a highly regarded civil servant.

Like St. Thomas More, Pope was held in high esteem as a public servant, and he enjoyed the total confidence of prime ministers and governors, all whom sought his advice. He was a prolific author of some two dozen books and pamphlets, including the official biographies of major Canadian historical figures.

Amidst this busy public life, Sir Joseph Pope developed a profound spiritual life and a mind always hungry for eternal truth. Raised in a nominal Anglican family, his persistent and courageous search for the fullness of truth and grace finally led him home to the Catholic Church.

"A marvelous journey of discovery and adventure. Joseph Pope, a courageous man of a century ago, followed the same path that thousands of Protestants have discovered again in this generation."

—**Stephen K. Ray**, Author, *Crossing the Tiber*
