**Anglo-French Relations in the Twentieth Century: Rivalry and Cooperation** Alan Sharp, Glyn Stone, Professor Glyn A Stone

*Anglo-French Relations in the Twentieth Century* is a collection of studies on the key episodes of the difficult and often discordant Anglo-French exchange over the past century. The authors critically re-evaluate:

- \* the role of Spain in Anglo-French relations up to 1918
- \* the missed opportunity of the 1920s with the failure of France and Britain to find sufficient common ground and co-operation
- \* the short-lived Anglo-French alliance and the Second World War
- \* the degree of Anglo-French Imperial co-operation
- \* the Suez Crisis
- \* British and French policies on European Integration.
