PMP Examination Study Guide-Revised PMBOK 4 Edition Robin Kay

This is a complete workbook that used in conjunction with the PMBOKÆ Guide (available from PMI at www.pmi.org), provides all you need to pass the PMI examination and gain PMP (Project Management Professional) accreditation. The comprehensive and fully illustrated 236 page text covers all PMBOKÆ Guide Knowledge Areas. What makes this book different from others is that it is written in a manner that is exactly suited to the level of detail required to answer the PMP exam questions. Many guides go into far more depth than is necessary and make studying for the exam far more difficult than it need be. No other text books or training courses are required to pass the examination. The author is a vastly experienced project manager and project management trainer and has been a PMP since 1997.
