Sculling: Training, Technique & Performance Paul Thompson

Whether you are about to go out in a sculling boat for the first time, simply enjoy recreational sculling, or have aspirations to be a member of the national team, this book contains information that will help you to improve your performance and maximize your potential. It considers the principles that underlie training, technique, and the correct adjustment of the boat's rigging and gearing, and offers practical advice on how those principles can be applied.
