Women's Writing in Middle English: An Annotated Anthology (Longman Annotated Texts) Alexandra Barratt

Women's writing in any period remains of critical concern, both at undergraduate and postgraduate level. Alexandra Barratt's edition offers a wide range of texts from the period 1300-1500, including:

- Original texts written by women in the Middle Ages
- Texts translated by women in the Middle Ages
- Prayers, meditations, scriptural comment, and accounts of religious experiences
- Educational writings
- Romance, poetry

Each poem is given a headnote, giving details of composition, manuscript and sources. Full on-page annotation is provided giving details of allusions to contemporary religious, historical and social issues. A general introduction gives context to all the pieces and provides a penetrating account of the role of women in a burgeoning society of literary and cultural transmission.
