A Slave's Tale Erik Christian Haugaard

A Slave's Tale, the sequel to *Hakon of Rogen's Saga*, is told from the point of view of a slave girl, Helga, who stows away on the longship when Hakon, the young Viking chieftain, sets sail for France on a voyage to return Rark, a freed slave, to his homeland. The voyagers' journey is perilous—they narrowly escape capture by an invading fleet, and their ship is severely damaged by a storm. Upon reaching France—where the Vikings are now hated, not feared—only tragedy ensues.
