**Interventional Cardiology: 1001 Questions: An Interventional Cardiology Board Review** Debabrata Mukherjee, Leslie Cho, David J. Moliterno

This user-friendly review question book is geared to interventional cardiology board candidates either for initial certification or recertification. Thoroughly updated and expanded, this edition contains more than 1001 questions that mimic the actual exam to ensure highly targeted, high-yield preparation. Answers with concise explanations and up-to-date references are included to maximize understanding and retention. Indications for particular procedures - a major focus of the board exam - are integrated throughout the text, particularly in the context of ACC/AHA guidelines to help prepare every candidate.
