## Statutes on the Conflict of Laws

In a clear, easy-to-use volume, Statutes on the Conflict of Laws provides students with the current UK and EU legislation encountered in the study of private international law. The legislation is not annotated, enabling the book to be used in examinations. It has been structured and designed so that students can find the material they need quickly and efficiently, and it includes separate chronological and alphabetical tables of contents. It will be a useful tool for all those who need quick access to materials on the conflict of laws.
