Our Lady of the Ice Cassandra Rose Clarke

The Yiddish Policeman's Union meets *The Windup Girl* when a female PI goes up against a ruthless gangster—just as both humans and robots agitate for independence in an Argentinian colony in Antarctica.

In Argentine Antarctica, Eliana Gomez is the only female PI in Hope City—a domed colony dependent on electricity (and maintenance robots) for heat, light, and survival in the icy deserts of the continent. At the center is an old amusement park—now home only to the androids once programmed to entertain—but Hope City's days as a tourist destination are long over. Now the City produces atomic power for the mainland while local factions agitate for independence and a local mobster, Ignacio Cabrera, runs a brisk black-market trade in illegally imported food.

Eliana doesn't care about politics. She doesn't even care—much—that her boyfriend, Diego, works as muscle for Cabrera. She just wants to save enough money to escape Hope City. But when an aristocrat hires Eliana to protect an explosive personal secret, Eliana finds herself caught up in the political tensions threatening to tear Hope City apart. In the clash of backstabbing politicians, violent freedom fighters, a gangster who will stop at nothing to protect his interests, and a newly sentient robot underclass intent on a very different independence, Eliana finds her job coming into deadly conflict with Diego's, just as the electricity that keeps Hope City from freezing begins to fail...

From the inner workings of the mob to the story of a revolution to the amazing settings, this story has got it all. Ultimately, however, *Our Lady of the Ice* questions what it means to be human, what it means to be free, and whether we're ever able to transcend our pasts and our programming to find true independence.

From reader reviews:

Stanley Roman:

Typically the book Our Lady of the Ice has a lot of information on it. So when you make sure to read this book you can get a lot of advantage. The book was compiled by the very famous author. The author makes some research prior to write this book. This book very easy to read you can obtain the point easily after looking over this book.

James Jackson:

Your reading sixth sense will not betray an individual, why because this Our Lady of the Ice book written by well-known writer who really knows well how to make book that can be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and composing skill only for eliminate your personal hunger then you still doubt Our Lady of the Ice as good book not just by the cover but also by the content. This is one guide that can break don't assess book by its cover, so do you still needing yet another sixth sense to pick that!? Oh come on your looking at sixth sense already told you so why you have to listening to one more sixth sense.

Helen Leavitt:

In this era globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You will see that now, a lot of publisher this print many kinds of book. The particular book that recommended to you is Our Lady of the Ice this book consist a lot of the information in the condition of this world now. This book was represented how does the world has grown up. The words styles that writer make usage of to explain it is easy to understand. The writer made some research when he makes this book. That's why this book suited all of you.

Michael Slay:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Our Lady of the Ice can make you experience more interested to read.
