Her enemy...or had she just met her match?

The Earl of Rushmore might be the catch of the ton, but that did not stop Perdita from accidentally on purpose stamping on his toe! Well, in her opinion he deserved it!

The Earl had secretly been rather impressed with the rebellious debutante—her feisty spirit was a refreshing change from the simpering young ladies who had only marriage on their minds. Despite the fact that Perdita disliked him, he'd even managed to persuade her to help him in a matter of great importance. But the biggest surprise of all for the Earl was that *he* now had marriage on *his* mind!
