The Silent Land Graham Joyce

The Silent Land is a brooding and tender look at love and whether it can survive the greatest challenge we will ever face. The film rights have been optioned by the producer of *Brokeback Mountain*.

A young couple are caught in an avalanche during a skiing holiday in the French Alps. They struggle back to the village and find it deserted. As the days go by they wait for rescue, and then try to leave. But each time they find themselves back in the village. And, increasingly, they are plagued by visions and dreams and the realization that perhaps no one could have survived the avalanche.

Read by John Lee. British narrator John Lee has read audiobooks in almost every conceivable genre, from Charles Dickens to Patrick O'Brian, and from the very real life of Napoleon to the entirely imagined lives of sorcerers and swashbucklers. He has won numerous Audie Awards and AudioFile Earphones Awards, and he was named a Golden Voice by AudioFile in 2009. Lee is also an accomplished stage actor and wrote and coproduced the feature films *Breathing Hard* and *Forfeit*.
